ANSWER POINT

1. I'm a responsible and hardworking person who enjoys learning new things and working in a team. I always try to give my best in every task I do.

2. My strength is being disciplined and detail-oriented. My weakness is sometimes I focus too much on perfection, but I'm learning to manage my time better.

3. Because I'm committed, quick to adapt, and ready to contribute positively to your team.

4. I organize my tasks based on urgency and impact. Urgent and high-impact tasks come first, while important but less urgent ones are scheduled in time blocks. If a sudden request comes from a manager or client, I quickly assess its impact, adjust my schedule, and focus on the new priority.
